

The robin went bob bob bobbin.  
The dog in the fog went bob bob bobbin.  
The duck in the muck went bob bob bobbin.  
The people in the park went bob bob bobbin.  
They were excited because it was snowing.

It is a winter's day  
The animals can play  
They sing hip hip hurray as they catch all the acorns in their paws.  
The trees whistled in the wind.  
The bushes bristled in the wind  
As the squirrels were twitching their noses.  
The birds were flying in the white snowy breezy air  
Over the people in the park.

Birkenhead Park has big gates.  
They open like a present.  
I like presents.

## Birkenhead Park.

Birkenhead Park can be really dark  
The ducks asleep by the pond  
Squirrels eat nuts and rest in trees  
In the morning the sun wakes the ducks  
Children play on the swings  
The flowers open and the birds sing.  
I like the park but in the rain it's not so bright.  
I like the mud so sticky.
