

Going to Birkenhead Park

I'm going to Birkenhead Park
Not when it's dark.
Who's that?
Jeremy Clark.

Who's that behind? His guinea pig
It's the Stig
He's pure white
Doesn't like to fight.

Never takes his helmet off
Because he's got a very bad cough
He'll never get realised
Until he dies
Did I mention he loves pies?

Freddie Neale Age 9.
Sapling first prize.

Birkenhead Park

Birds, lakes
People on dates
Baby, prams,
Beavers in dams.
Kids, dogs,
Even water hogs.
Mud, grass,
Sometimes glass.
Ice cream, fish,
Put it all on a dish.
Fruit, trees,
even honey bees.
Red sky, blue sky,
Time to leave please don't cry.

Ella Pyper. Age 9.
Sapling second prize.

Birkenhead Cool Park

Many things change throughout the year,
But Birkenhead park oh no, not here!
Well actually, yes, why it does!
I love it when it does because:
Birkenhead Park is so cool,
Yet many kids would rather drool.
Oh Birkenhead Park is so cool.
Still kids think it is worse than school!
That's why I am here today
To tell kids to come and play!
I'll tell you why it's so cool,
Then you will know and not be a fool!
There's a duck pond with lots of ducks.
Don't tell them this but they have good looks!
The café is great for a snack,
Have one and you won't stop coming back!
Near the lake there's lots of huge rocks,
But be careful or they'll rip your socks!
So Birkenhead Park is so cool,
Don't waste your life in a swimming pool!
I hope you've learned a lot from me today,
Thank you for listening and have a great day!

Lucy Ann Michelson Age 9
Sapling third prize.
